WEIZMANN INSTITUTE OF SCIENCE

THE SCIENCE TEACHING DEPARTMENT CELEBRATES 50 YEARS OF ACTIVITY

JANUARY 7-8, 2019 | The David Lopatie Conference Centre, Weizmann Institute of Science

"I have always felt a deep need to respond, in any way I could, to younger people who had an urge and curiosity to understand nature better."

Prof. Amos de-Shalit, November 1968

We welcome you to our Jubilee Celebration Conference!

The conference brings together international guest speakers, members of the department and graduates, who will share their expertise in various forms of presentations: lectures, workshops, posters, plenary panels and a debate.

We are confident that the conference will enrich all of us with new insights about the past, the present and the future of the department and about science education at large.

It is a unique event that we invite you to take part in. The event is free-of-charge, however, registration is required so that we can properly prepare for the amount of participants.

We are looking forward to your participation!

ORGANIZING COMMITTEE

Anat Yarden

anat.yarden@weizmann.ac.il

Ronnie Karsenty

ronnie.karsenty@weizmann.ac.il

Bat-Shahar Dorfman
